## Selectmen's Meeting

### DECOSTA REPORTS ON RESISTANCE TO UNFUNDED MANDATES

Selectman John DeCosta reported to the other members of the Board of Selectmen on his attendance of the joint Legislative Conference in Boston which seeks to obtain legislation in several bills which would limit the power of the state government to mandate programs without funding leaving the cities and towns to bear the cost. Mr. DeCosta said an article of amendment is sought to the state constitution requiring that no law should impose additional cost on cities and towns until the law is accepted by vote or the appropriation of money to finance it. (The vote would be of the town meeting or city council.) The exception would be if the General Court enacts the law by 2/3 vote or, at the same session in which they enact the law, provide the funding.

and policy making bodies composed of representatives of the local municipalities who would determine the activities, means of financing, make regulations and administer the district consortium. It would also specify that the vote of a municipality not to join a consortium would not result in its loss of federal or state funds or other adverse action by state agencies.

The Board of Selectmen voted to support House Bill #754 which would provide fiscal home rule for county government. The Board will also support House Bill #914 which would create a State/Local Revenue Sharing Plan. This bill provides that half of any new state tax be returned to the city or town to meet the cost of municipal services. It provides that half of the funds so returned be used to defray public education cost and half for the cost of general government. Mr. DeCosta also presented an outline of House Bill #849 which provides for State assistance for improving local government capability. The Board of Selectmen noted that such assistance is presently available through SRPEDD and at a reasonable cost (15¢ per capita) so they took no action pending more information.

#### DOG COMPLAINT

Mrs. Walter Kelly complained about a neighbor's dog which she stated was tied outside from 5 A.M. until late at night. She said that the dog was not properly fed and watered and she feared for the hot weather months ahead because the dog broke loose occasionally and roamed the neighborhood. She said the dog could be heard crying and barking constantly day and night. Chairman R. William Blasdale said the town does not have a by-law against noise because it is so hard to define. However, he said that Dog Officer Penny Hiller can and will check to see that the dog remains confined and could check to see to its proper care. Mrs. Hiller, present at the meeting, agreed to check.

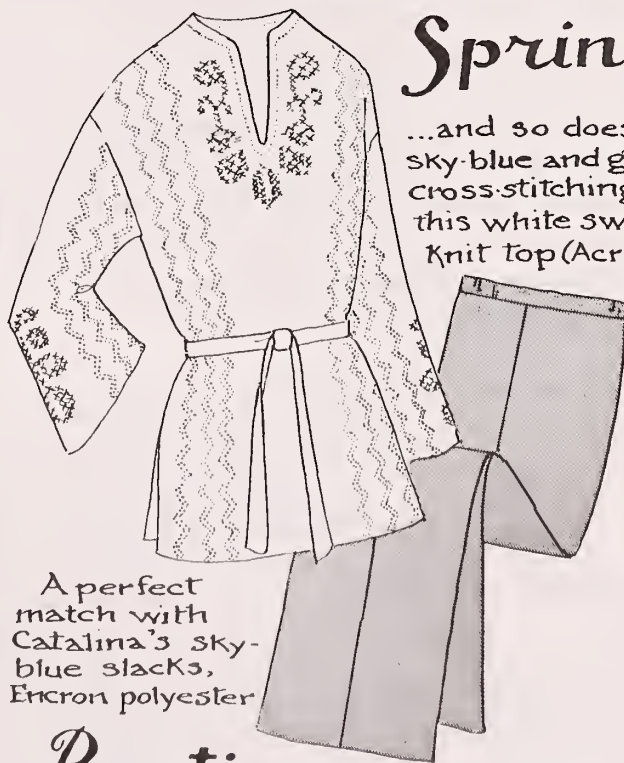

#### STATE MOBILE HOME LAW

Selectmen were informed that a new act by the state will supersede a town by-law regarding mobile home use. The act provides that certain owners of homes destroyed by fire be allowed residence in a mobile home for a period of 12 months. Mr. Blasdale said that the town by-law had provided a

The East Bridgewater Board of Selectmen

### GUEST NIGHT A GRAND SUCCESS

Three generations of Archers - Grandpa Jim, Son Henry and Grandson Eddie - bridged the generation gap to entertain at the annual Mattapoisett Woman's Club Guest Night filling the Congregational Church Hall with melodious Barbershop singing and happy applause. At least one of the Archer family of Fall River has belonged to the Harpoon Harmonizers for "years and years".

Resplendent in their bright red sweaters with the group's emblem emblazoned on the left breast pocket, the Harmonizers struck up the Chorus beginning with an excellent rendering of Al Jolson's Mammy and

Dressed in their Sea Captain Blues the popular quartet known as the "Nautical Notes" rounded out the musical evening with Alexander's Rag-Time Band, Dry Bones and a comic version of Rigoletto - all greeted by hearty applause. The Quartet, which has entertained for more years than they will tell, is the past Northeastern District champion for Quartets. The evening's music, interspersed with quips and laughter and audience participation singing, seemed to agree with just everyone.

After the singing everyone had fun con-

cocting their own fabulous sundae from a grand assortment of fancy toppings and trimmings served and prepared by Hostess Dawn Friedman and her committee.

## DUFF PLUMBING ANNOUNCES

We have added another truck to our fleet expressly for the Marion, Wareham & Rochester area residents. We have had such an increase in calls that we have decided to install a direct, toll-free "Hot Line" for these customers. We have our plumber, Chet, who is a local resident and knows the area well. He will have a well-stocked supply of plumbing needs right at hand.

Are you disappointed to find yourself waiting two days for a plumber, then have him arrive with a helper to carry the tool box, and receive a bill for two men? We pride ourselves on sending one man on service calls.

We take good care of our old customers; it's new customers we are looking for.

## Rochester Council on Aging

The Elderly Nutrition meals are now being served at the Vestry of the First Congregational Church in Rochester Center on Tuesdays and Thursdays at 12 Noon.

The hot lunch program began serving at the Vestry on March 28, 1974 with arrangements made to change the location site in September to St. Rose of Lima Church for the winter months.

The program has been a success not only in the serving of nutritious meals but also in providing the opportunity for the Seniors to meet new friends with participation in social and recreational activities.

It is hoped that with the upcoming good weather more Seniors will avail themselves of the opportunity to enjoy a good meal in the company of good friends.

We are deeply grateful for the cooperation of the St. Rose of Lima Church and the First Congregational Church in providing the use of the church facilities for the program.

## Caldwell conducts "Tosca"

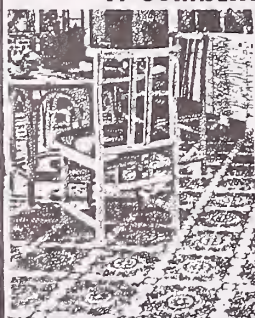

### OPERA "TOSCA" IN BROCKTON

Sarah Caldwell is coming to Brockton and bringing her full Opera of New England production of Puccini's "Tosca" with her. The performance is April 10 in Brockton High School's theater auditorium.

In Marion, Mrs. Paul Morse and James Wickenden have ticket information as does Mrs. Wayne Clark in Wareham.

The opera will be sung in English, as is Miss Caldwell's practice to encourage greater interest in all opera. She will conduct the production which she also has cast and staged. The April 10 performance of "Tosca" will feature musical celebrity Ron Holgate.

## Little League Basketball

### CHAMPS ARE CROWNED

The Orange won its fourth consecutive Little League basketball championship last week when they defeated the Whites in the final game of the season 25-21. Tim Quinlan led the Orange with 17 points while Mike Burnett netted 13 for the losers. The Whites trailed in the game 21-9 but closed the margin to 23-20 with 30 seconds left. Steve Tinkham and Quinlan scored to seal the championship for the Orange in the final seconds.

One of the best games of the year pitted the Orange against the Gold for the second round championship. Both teams had 5-0 records in the second half, going into the fray, and the Orange triumphed 30-27 in the last minute of the game. The score never varied more than four points and there were

some outstanding performances by both teams. "Putt" LaPlante with 11 points and Dave Hubbard with 14 led the Gold while Mark Riley with 14 and Quinlan with 12 led the Orange.

Since there were no playoffs this year because the Orange won both rounds, the League has been running a knockout tournament. In the first game of the tournament the Red defeated the Black 33-18. Steve McGonigle had 12 and Scott Litchfield had 11 for the winners. Drew Frazee had 12 for the Black. The Purple avenged a mid-season upset at the hands of the Green by trouncing them in the tournament 24-14. The Pothier brothers, Jan and Karl, led the Purple attack

with 6 and 10 points respectively. John Chase was the Green high scorer with 10 points. The underdog Red gave the favored Gold a great battle all the way in the semi-finals of the tournament but finally succumbed 39-25. LaPlante got 16 for the winners and Litchfield had 10 for the Reds. The Blue took advantage of early mistakes by the Whites and romped to a 29-7 victory in their first round tournament game. The winner of the Purple and Blue game will play the Gold for the knockout tournament championship.

The top scorers for the year in the Mattapoisett Little League are listed as follows: Tim Quinlan, Orange, 173; "Putt" LaPlante, Gold, 166; Dave Baggarly, Blue, 124; Dave Hubbard, Gold, 119; John Chase, Green, 111; Mark Riley, Orange, 103; Scott Litchfield, Red, 89; Dana Deidrickson, Purple, 85; Jan Pothier, Purple, 75; Russ Bailey, White, 69; Drew Frazee, Black, 65.

## Foreign Students

### SISE SEEKS HOST FAMILIES FOR FOREIGN STUDENTS

SISE is seeking out families who would be interested in sharing with their family and friends the rewarding and exciting experience of hosting a European student for the school year 1978-1979 or for 4 weeks in the summer.

SISE is the only European based exchange service, serving students between the ages of 16-18, and dedicated to the promotion of International Understanding and fellowship.

The students' interests are varied and cover a wide range of activities. During their stay here they, as a member of the family, would learn about American ways of life and customs while at the same time share with their host families the tremendous cultural and personal experience of their own country. All the students have had at least 6 years of English in school, and are covered by Medical Insurance and have their own spending money.

"Ondeko-Za" -- the Japanese Demon Drum Group which the Boston Herald said "blew Boston minds like confetti ... a thrilling, even magical, experience" -- will storm on stage at the Southeastern Massachusetts University auditorium on Thursday, April 13, at 8 P.M. as part of the spring festival of outstanding productions presented by the SMU Cultural Affairs Committee.

"We are proud to bring to the area another extraordinary theatrical event," says Prof. Vincent Luti of the committee. "With the sold-out success of Pilobolus in mind, there is no question that the area is ready

elite classical culture, such as the Boston  
Symphony Orchestra. Why? Ondeko-za is  
a highly trained marathon team from Japan  
and runs in major events such as the Boston  
Marathon, yet Ondeko-za is a group of in-  
credible musicians and dancers who have  
twice appeared with the BSO at Tanglewood  
and at Symphony Hall in Boston. They feel  
that a rigorous athletic training is important  
to their performing arts which, as will be

obvious when seen at SMU, requires ex-  
treme physical endurance for some of the  
acts and exquisite muscular control for oth-  
ers. Unlike western classical musicians,  
these young athletes are beautiful to watch  
in performance and are trained in multi-  
artistic achievements."
